Mr. Harold Weisberg
Route 7
Frederick, Maryland

Dear Mr. Weisberg:

Thank you for your call of last week, concerning the possibility of your appearing on our radio interview program "Comment." I'm afraid, however, that doing the interview by phone wouldn't work too well. On a subject such as the assassination, we always like to open up our local phones for calls and questions from listeners --- and they would be unable to question you unless you were here in the studios.

If you can ever get to Dallas, we certainly would like to schedule you on "Comment." If you can arrange such a trip -- for whatever purpose -- let us know as soon as possible.

Again, many thanks.

Sincerely,

Walter E. Evans
